

Engineering Strength for Modern

CONSTRUCTION

30+ Years of
Experience

50+ Projects
Completed

1000+ Happy
Clients

ABOUT US

Grap Metals LLP, established in 2023 is engaged in the manufacturing of scaffolding systems, construction accessories, and precision metal fabrication. The company is built on the legacy of Bubna Enterprises (est. 1996), bringing over 30+ years of domain experience into a modern manufacturing environment.

Our Foundation

With a strong background in fabrication and engineering, the company offers a wide range of scaffolding products along with custom-built metal solutions, designed to meet diverse construction and infrastructure requirements with consistency and structural integrity.

Leadership

Driven by **Gopal Bubna (Founder)**, with extensive expertise in manufacturing and fabrication, and **Rishav Bubna (Director)**, bringing 10+ years of experience in marketing and business development, the company operates with a balanced approach of technical depth and market understanding.

Our Vision

To strengthen its position in the construction support industry through advanced manufacturing practices, efficient processes, and a continued focus on product performance, durability, and reliability.

Our Commitment

The company is committed to delivering products engineered for strength, quality, and long-term durability. With a focus on manufacturing standards and client satisfaction, Grap Metals LLP supports efficient and reliable execution across construction projects.

WHY CHOOSE US

Engineered Strength

Built for load-bearing
reliability

Durable Quality

High-grade materials,
long-lasting performance

Custom Fabrication

Tailored to project
specifications

Wide Product Range

Complete scaffolding &
accessories solutions

Proven Expertise

30+ years industry
experience

Trusted Track Record

50+ projects | 1000+
satisfied clients

INDUSTRIES WE SERVE

Construction & Real Estate
Residential, commercial and high-rise projects

Infrastructure Development
Bridges, highways, metros and public works

Industrial & Manufacturing
Factories, plants, and heavy engineering setups

Power & Energy
Thermal, renewable and solar projects

Solar & Renewable Energy
Solar module structures and installations

Commercial Projects
Malls, offices, and institutional buildings

Maintenance & Repair
Industrial shutdowns and maintenance access

Oil & Gas / Heavy Engineering
Refineries, pipelines and large-scale installations

PRODUCT RANGE

Scaffolding Systems

Vertical Cuplock

Horizontal Ledges

H-FRAME

H-FRAME With wheels

Scaffolding Moving Tower

PRODUCT RANGE

Formwork & Shuttering Products

600 x 900mm(3 x 2 ft)
 1200 x 600mm(4 x 2 ft)
 1200 x 900mm (4 x 3 ft)
 1200x1000mm(4x 3.28ft)
 1250 x 1000 mm

Shuttering Plates

Size as per
 Client Needs

Haunch Plates

2500 x 100 mm
 Made with c channel
 100 x 50 mm

**MS Shuttering
 Soldier Plates**

Scaffolding Accessories

1 x 1 mtr
 2 x 2 mtr
 2 x 3 mtr
 3 x 3 mtr

**Adjustable
 prop jack**

250 mm
 300 mm

Joint pin

300 mm
 450 mm
 600 mm
 800 mm

U Head Jack

300 mm
 450 mm
 600 mm
 800 mm

Base Head Jack

40 X 40 MM
 40 X 50 MM
 50 X 50 MM

Swivel Clamp

40 X 40 MM
 40 X 50 MM
 50 X 50 MM

Fixed Clamp

60.3 mm

Prop Sleeve

PRODUCT RANGE

Construction Hardware

Tie Rod

Anchor Nut

Wing Nut

Column Clamp

2360 x 2360 Weight 39-39.5 kg
(4.2 mtr Expandable)

3000 x 3000 Weight 49-50 kg.
(5.5 m Expandable)

Adjustable Span
